Dear Shannon:

We are writing this letter to say thank you for helping our dream come true. We really appreciate Sarratoga and all your company has done to help get our company up and running. When starting a new business there are so many things to take care of and you made sure we had one less to worry about.

Sarratoga's quick response to our installation made our start a lot smoother and ability to operate quicker. We are now wireless and running perfectly. Again, we wanted to thank you for helping us get our dream going.

Please let us know if there is ever anything we can do to help you.

Sincerely,

A handwritten signature in blue ink that reads "De Cable".
